

Overview

An early-stage business idea generation process for preventing people from rehoming their dogs.

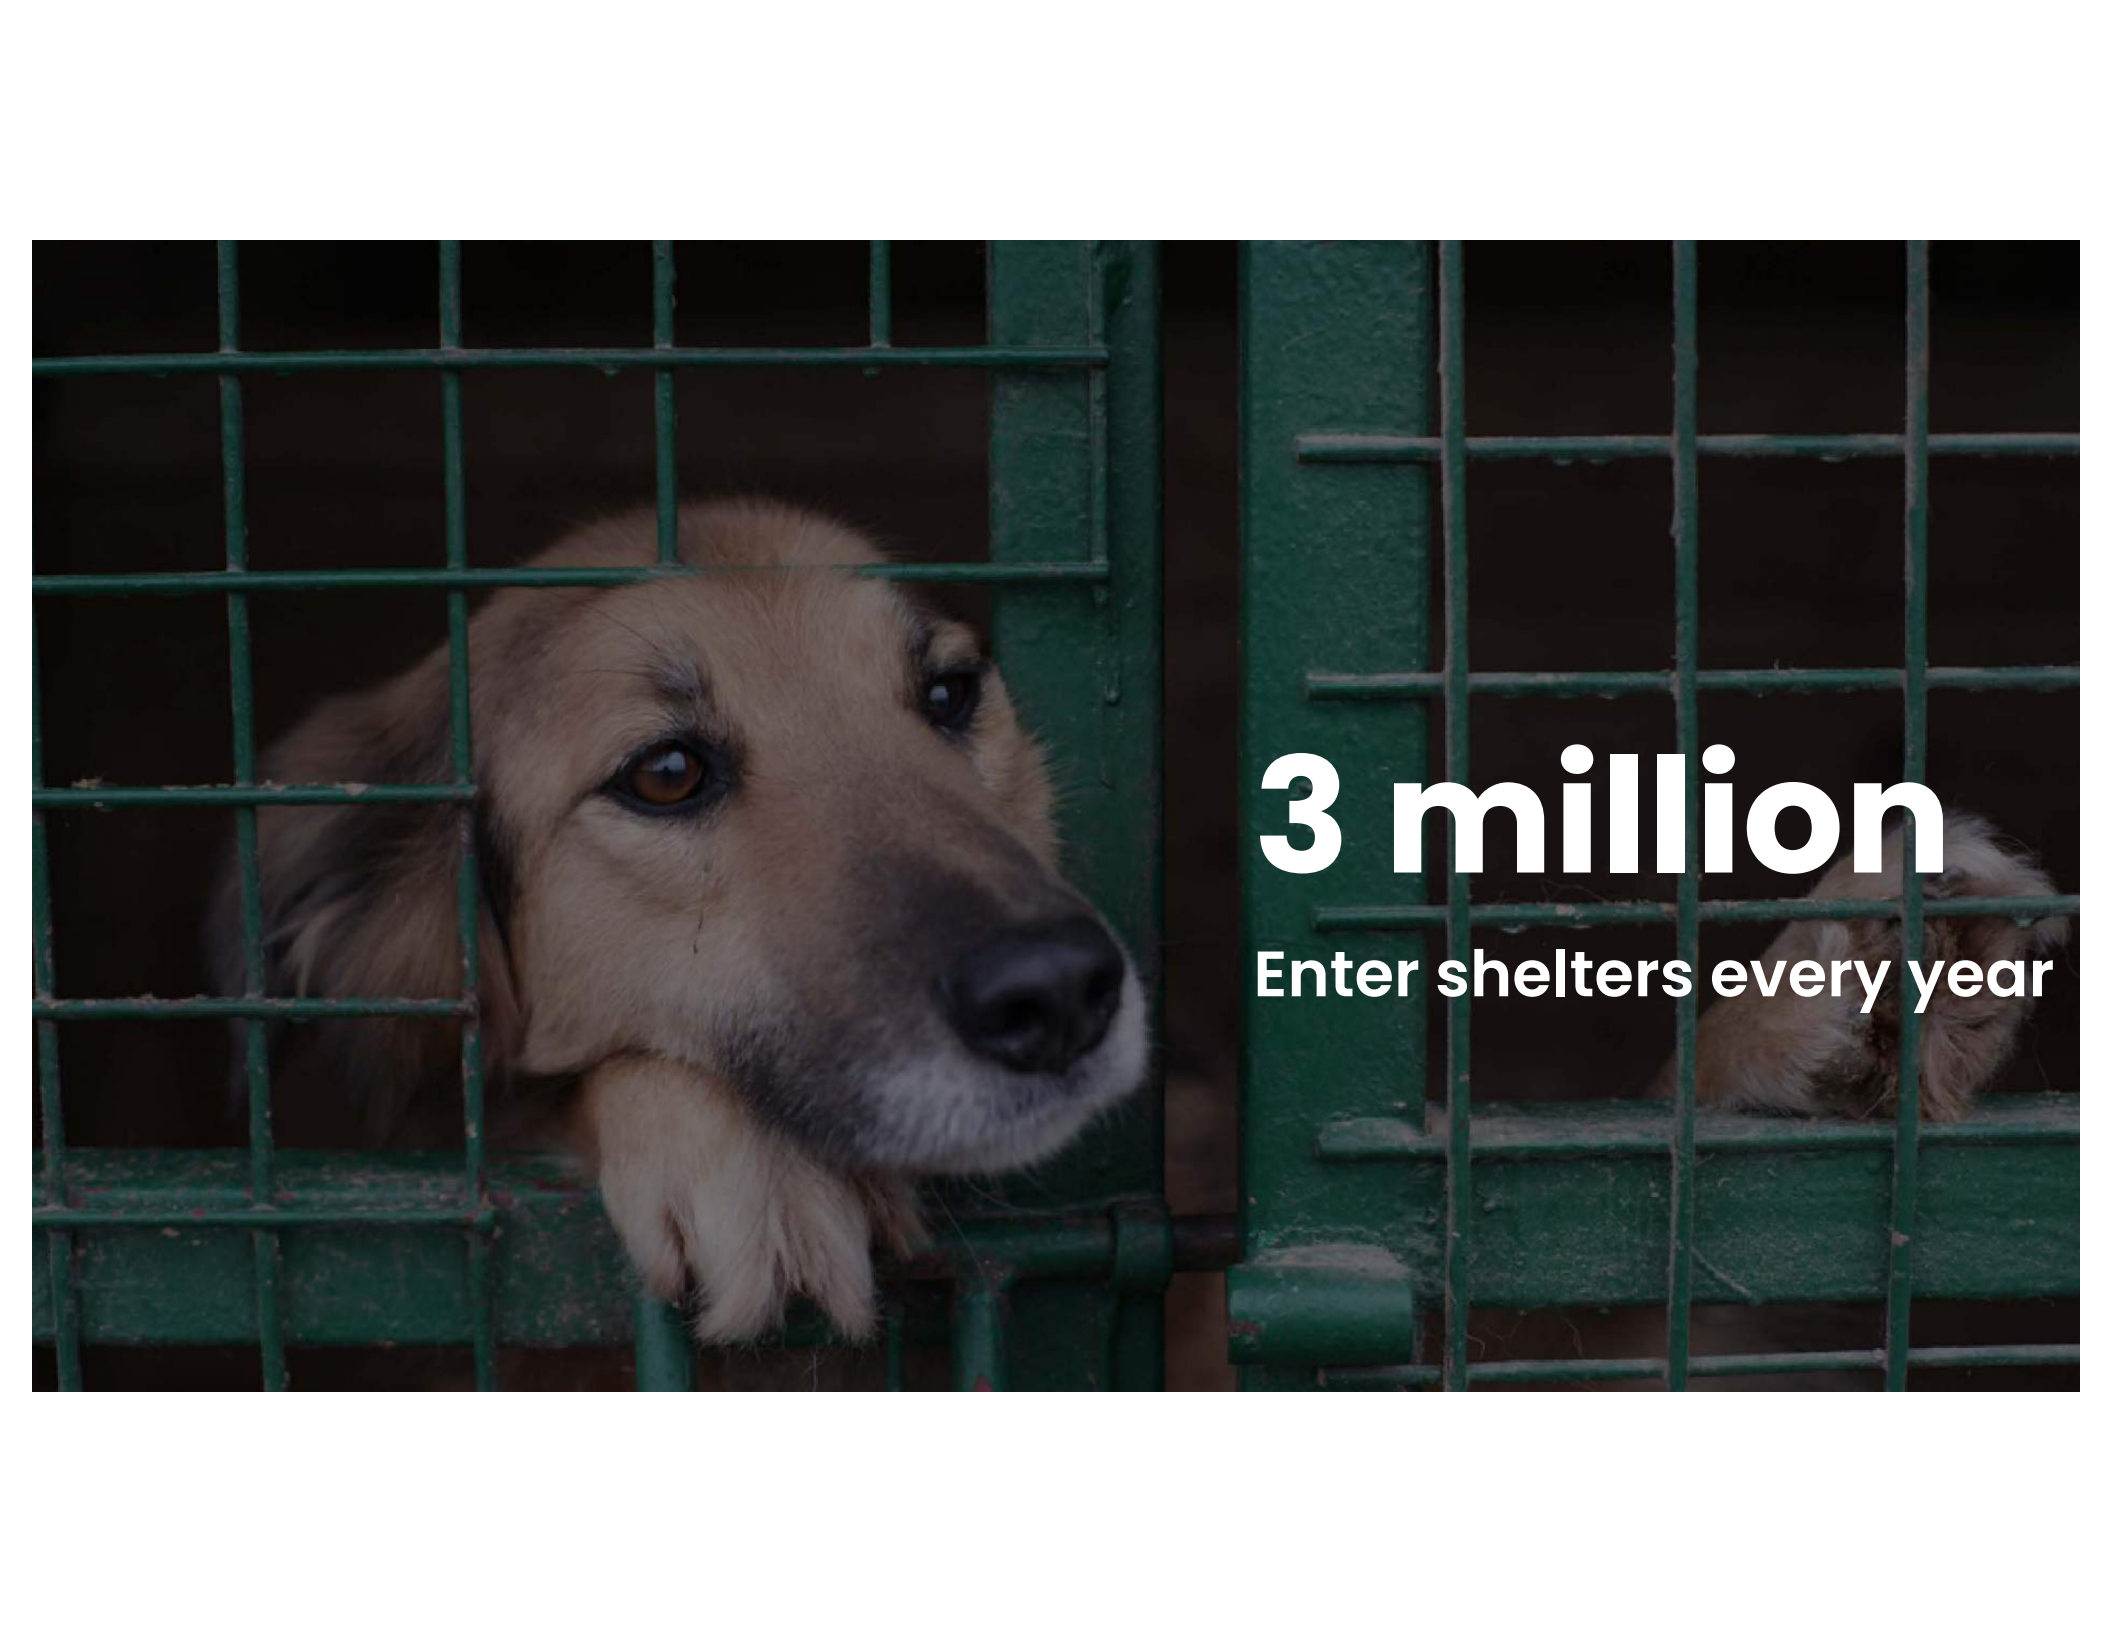

Solution:

**A professional dog training mobile app
which helps dog owner train their dog
anytime, anywhere.**

**We are all animal lovers
However...**

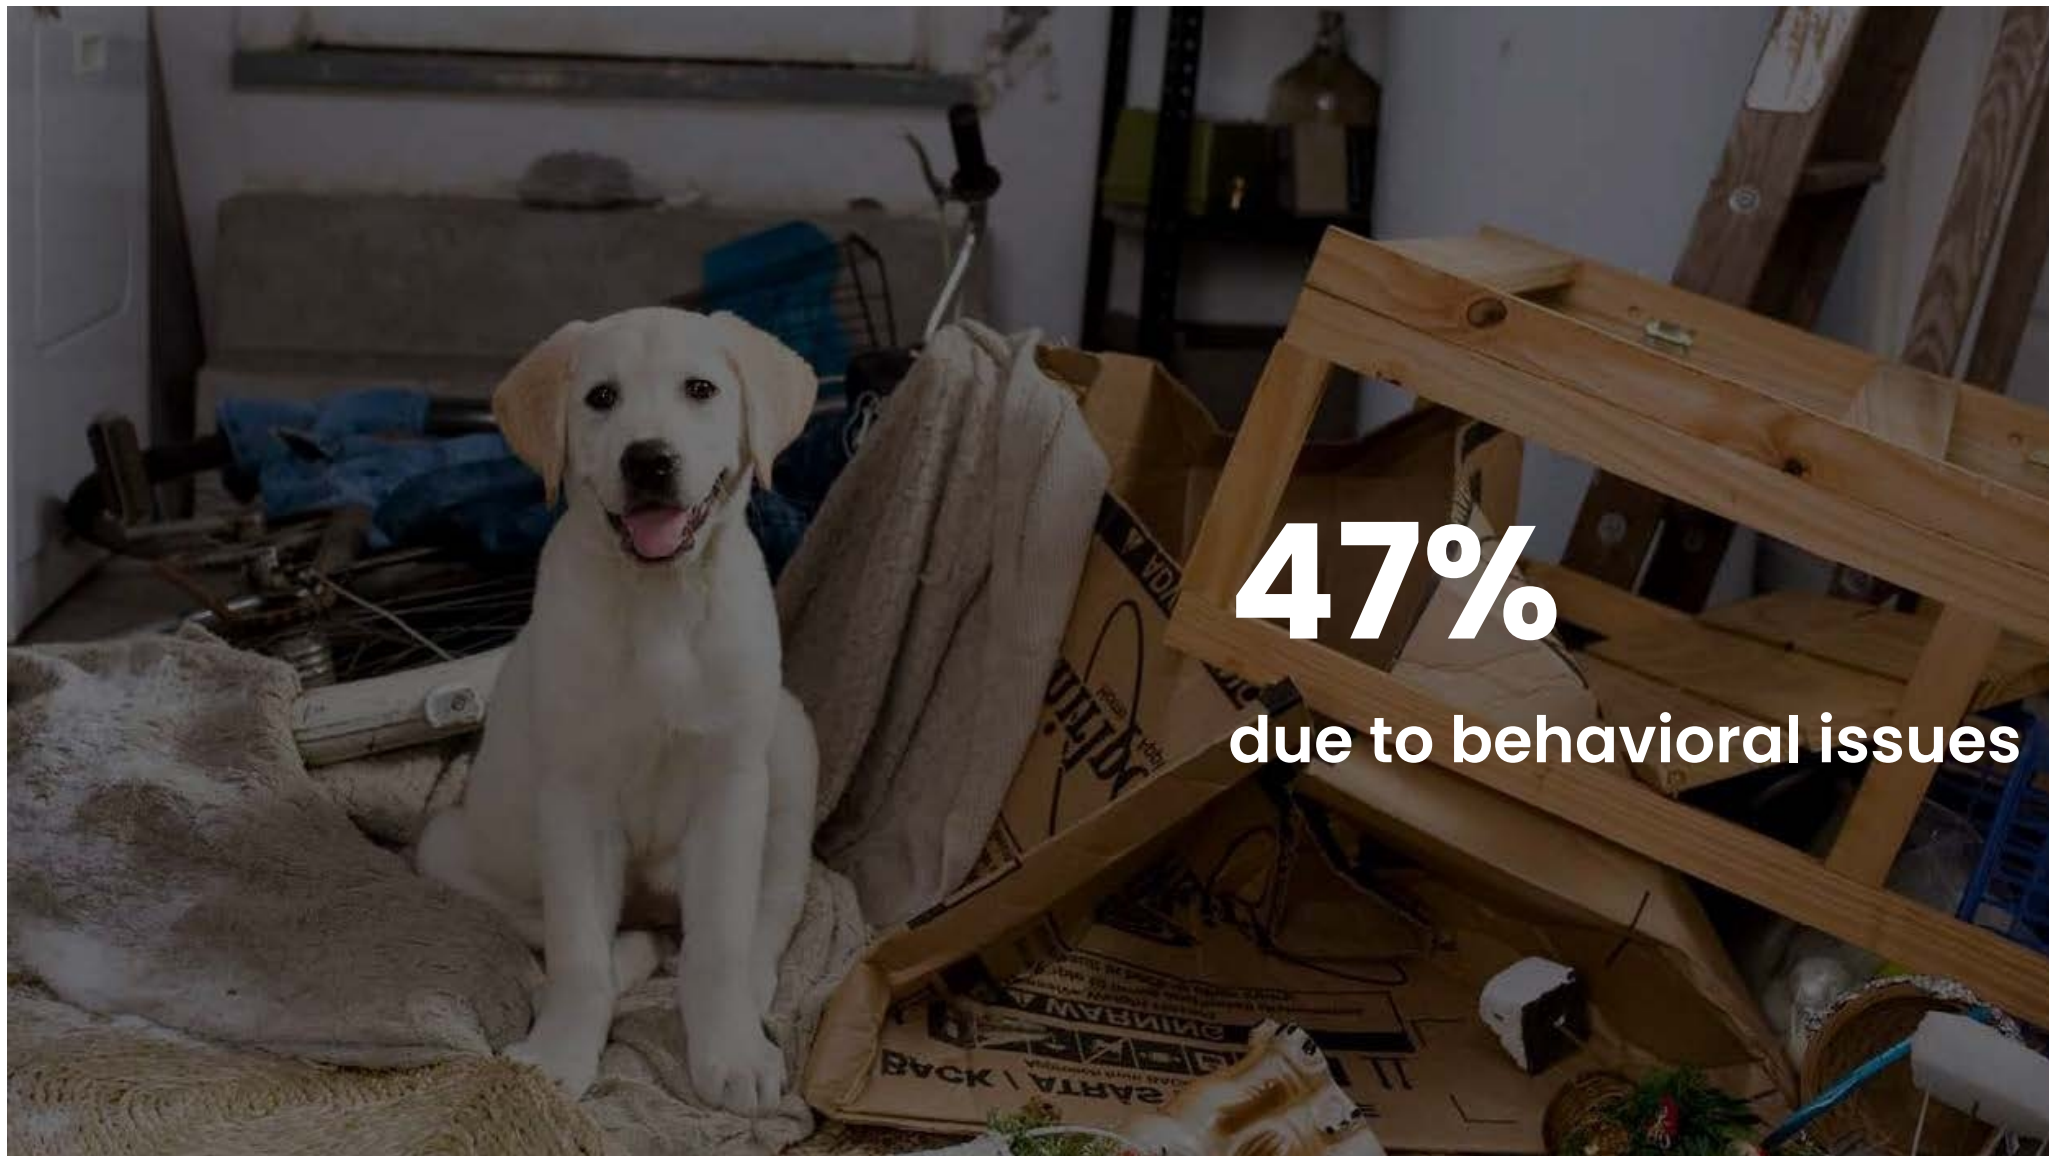

A close-up photograph of a light-colored dog, possibly a Golden Retriever, looking out from behind a green metal cage. The dog's face is pressed against the bars, and its eyes are looking directly at the camera. The background is dark and indistinct.

A black and white photograph of a dog, possibly a Golden Retriever, looking out from behind metal bars. The dog's face is partially visible, with its eyes looking towards the camera. The bars are made of metal and are arranged in a grid pattern. The background is dark and indistinct. Overlaid on the right side of the image is the text "700,000" in a large, bold, white font, and below it, the word "euthanized" in a smaller, white font.
